Dear Friend of the Arts,

On behalf of the Art and Antique Studio and Fine Art Gallery we would like to invite you to become a sponsor of our ongoing **ART of Eights Project**. This project is a venue for new and seasoned artists to display and sell their work at our gallery and online through our website. Our gallery does not take a commission on sales for this project.

It is our special goal to encourage and promote new and upcoming artists to participate in the challenge of painting on a small, square format. As a part of the small application fee the artist receives the canvas from us so that all pieces in the show are of uniform size and shape.

As a sponsor to this show you will receive advertising on our prospectus, in our display area at the gallery, and on our website **ART of Eights Project** page. The money received from our sponsors will go solely toward funding monetary awards for participating artists in the **ART of Eights Project**.

Artwork is judged by a panel of artists from our gallery members on a quarterly basis and awarded to the winners via check at that time. Award winners will be featured on our website.

Our gallery is a group-owned gallery in the heart of the Eau Gallie Arts District (EGAD) of Melbourne, Florida. This historic area is a vibrant arts community that hosts an art museum, several art galleries, studios, boutiques, antique shops, an art supply store, the Brevard Symphony Orchestra, Historic Rossetter House Museum, the Eau Gallie Civic Center, two public parks and more. It was recently designated as a Florida Main Street Community.

You can see some of the latest images included in the ART of Eights Project online at:

Thank you for considering a sponsoring role, and helping to promote art in our community.

Sincerely,

Debbie Johnson and Carole Judson
