

## Advanced Silk Painting Workshop With Vicki Damon

For those silk painters interested in doing something more advanced, I am putting together 3 dates for Advanced Silk Workshops.

The dates are September 18, September 25 and November 13. The workshop will be 12:30 - 5:00. With only three classes, space is limited, so signup as soon as possible.

I will be supplying all of your materials. We will be working with a 22x22 Charmeuse Silk, which is the finest silk product available. We will be playing with new techniques, such as the salt and alcohol techniques. At the end of the day you will keep your silk stretcher with your silk painting as well as a beautiful silk charmeuse shawl, which we will paint in class.

The cost of this workshop is \$95.00. A non-refundable deposit of \$40.00 will be required at sign-up to hold your place in this class

I will have a couple of designs to choose from, but I urge you to bring a design of your choice. Something that you want to paint that reflects your own personality. For example, portraits, flowers, water scenes.
