

# Silk Painting Workshop for Beginners

Come join us for silk painting workshops for beginners.

Silk painter, Vicki Damon, is now offering hand painted silk workshops at the Art and Antique Studio, in the Arts District of downtown Eau Gallie.

Silk painting is a very versatile medium in which you can create silk scarves, wearable art, wall hangings, pillows and much more.

All you need to participate is to reserve one of the dates and bring some ideas for your personal designs and a big imagination. Designs will be available at the workshop for those who need a little inspiration.

Check the Art and Antique website for the schedule of classes. Saturdays 12:30-4:30, starting in August.

The class fee is \$70.00, with a required non-refundable deposit of \$35.00 due at signup. All materials will be provided.

There will be a minimum of 3 people required for this class and a maximum of 10 to ensure a very hands on experience.

You will learn the use of resist, French dyes, work with different types of silks, and painting techniques. You will also take away with you your own hand painted silk scarf, and two silk squares of your own design.
